*Multiple actions during a single ATM session are considered separate transactions. A fee may be charged by the ATM owner/network and by 1st United for each. For example, a withdrawal and transfer during a single ATM session may generate fees for each transaction. **If a statement is returned undeliverable, we discontinue sending statements until an updated address is provided. A one-time fee of \$5.00 will be charged. A fee may apply in the event of another undeliverable statement. ***Foreign transactions include those processed by a merchant overseas, even if initiated in the U.S. (ex. Internet transactions).
