

Updating Your Contact Information

It's important that the credit union can communicate with you regarding your account, so this is a friendly reminder to ensure we have your up-to-date contact information on file.

To verify/update your information, please follow these simple steps:

- ☐ Log in to online banking from the home page of our website at usffcu.com using a desktop computer (updates cannot be done through mobile banking)
- ☐ Select the "Services" tab
- ☐ Select "Change my Address."
- ☐ Verify the address and phone numbers we have on file. If incorrect, please update and select "Submit" prior to logging out.

Thank you for taking the time to confirm your account information.
