

CARDHOLDER USER GUIDE

SHAZAM BOLT\$ is a fraud transaction alerting, balance monitoring and ATM locator application. Send money with person-to-person (P2P) money transfers and block and unblock your card with the transaction control feature!

ENROLL

Download SHAZAM BOLT\$ for free from the Apple App Store, Google Play or log into bolts.shazam.net and enter your full card number. Accept product terms and conditions, and proceed with the card verification process. You'll need to enter some additional card information as well as your PIN or Social Security number. Finally, create your username, password and user profile.

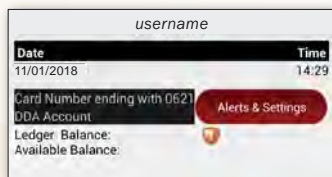

Note: Passwords must contain at least one capital letter, one lowercase letter, one number, one special character (!, @, #, \$, %, &, or *) and be 5 to 32 characters in length. You're required to change your password every 90 days.

Once you're logged in it's really easy to add an additional card, just tap the **Add Card** button and follow the same prompts as before.

ACTIVATE ALERTS

Once logged in, you'll see your balances. Tap on the **Alerts & Settings** button. Tap on the **Card Alert Settings** button.

In the Card Alert Settings tab you can update:

- Transaction amount alerts (set amount threshold)
- Internet and phone transaction alerts
- International transaction alerts
- A secondary email address for transaction-level alerts

Note: The Suspected Fraud Alerts setting is configured by your financial institution. The SHAZAM BOLT\$ Notifications setting is not optional and indicates SHAZAM BOLT\$ will send email notifications to you whenever your user profile is edited.

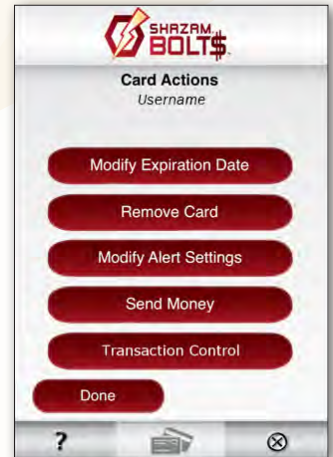

TRANSACTION CONTROL

Temporarily block and unblock your card by tapping the **Transaction Control** button on the Card Actions screen.

To **temporarily block your card**, slide the white button to the right. Transaction control is on and your card is blocked when the button is green.

To **unblock your card**, slide the button to the left. Transaction control is off and your card is not blocked when the button is white.

Your financial institution can also block your card. If you see the prompt **Blocked by your financial institution**, please give them a call.

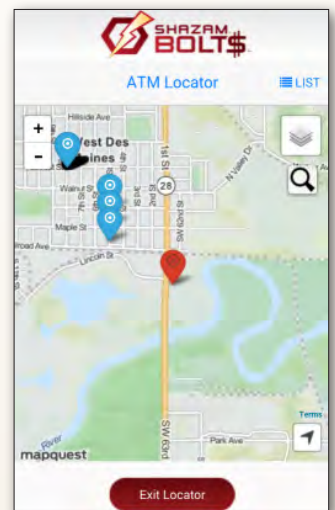

ATM LOCATOR

To find the nearest ATM follow these steps:

1. Tap **ATM Locator** from the main login screen
2. Tap **Search**
3. Tap the location of choice or select **List** and tap on a location

You'll then be provided with directions to the ATM you selected.
