Web Connect

Introduction

As HealthCare Associates Credit Union completes its digital banking upgrade from Internet Branch to My247, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your Username and Password for HealthCare Associates Credit Union's My247 Digital Banking.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!
