Magnolia and Mississippi Credit Unions Take The Hill

Credit Union National Association's Governmental Affairs Conference is the premier event for political impact in the credit union industry. Thousands of industry leaders gather to remind legislators and regulators why credit unions are Americans' best financial partners.

Magnolia FCU and other Mississippi Credit Unions were part of the credit union movement during this significant and consequential event. We were able to be a part of thought-provoking, keynote presentations from America's leaders in politics, media, and business. The purpose of the GAC is to advocate on behalf of the credit union movement and share our member's stories on how their community Credit Unions have positively impacted their lives.

Mia Leverette, Magnolia FCU's Marketing Manager, was selected to attend CRASH the GAC 2019 by The Cooperative Trust and CUNA.

Crash the GAC is a non-stop, career-changing program for credit union young professionals that allows them to participate in the industry's largest advocacy conference. Crashers are awarded with complimentary conference registration, exclusive networking opportunities, leadership development tools, and mentoring sessions with industry leaders from organizations such as Filene Re-

search Institute, CUNA, and National Credit Union Foundation (NCUF). Crash the GAC is designed to spark new ways of thinking and build lasting

relationships for young professionals within the credit union industry. Crashers will leave the nation's capital with a new hunger to help strengthen their communities and organizations. This highly competitive opportunity is a launching pad for many young professionals' careers and gives them the confi-

dence and insight to make a profound and lasting impact in the industry.

Magnolia FCU and other credit union leaders had the privilege of attending the hill hikes to have face-to-face meetings with our Mississippi state representatives and facilitate productive conversations about real issues and policies that affect our members.

A Message from Our CEO

Michael Waylett, Chief Executive Officer, Magnolia Federal Credit Union

As part of our commitment to giving back to our members and the communities we serve, Magnolia FCU awards three scholarships every year to our members who intend to pursue higher education. Two David. E. Bergstrom scholarships are awarded for \$1,000 each to two high school students who will pursue a trade school, apprenticeship program, community college, or state or private university in the next year. The program was developed to honor the late David (Dave) E. Bergstrom who was the President/CEO of the Magnolia Federal Credit Union from 1990 to 2003. The \$1,000 scholarships are awarded to the applicants who best exemplify Dave's courage, spirit, and dedication.

The Oliver N. King Scholarship recognizes a veteran of the armed forces who will pursue an undergraduate or graduate degree in the coming year. This scholarship is awarded in honor of the late Oliver King who was a long-time employee of the Veterans Administration and a dedicated Credit Union member and official.

Magnolia Federal Credit Union's 2019 Annual Membership Meeting was held on Tuesday, January 29th from 5:30 p.m. – 7:30 p.m. at the Muse Center located on the Hinds Community College Campus in Rankin County. We had more than 200 attendees and enjoyed catering from Penn's Fish House, musical selections from Kimble Funchess, and officials' reports. The President and Board of Directors supplied information regarding the financial health of Magnolia FCU. Members reviewed financial information and elected and re-elected Board of Directors. Over \$1,000 in door prizes were awarded at the end of the annual meeting. The transparency of the meeting helped foster good interaction and information exchange. Credit Unions 4 Kids

The Batson Children's Hospital is the state of Mississippi's only children's hospital and it's currently under major construction. Children's of Mississippi has a plan that will ensure the state's children have access to state-of-the-art care far into the future. Children's of Mississippi cares for more than 150,000 children each year. To hit their ambitious goal of \$100 Million, they have organized several events to raise money and awareness for the new building renovations.

The Credit Unions of Mississippi sponsored the Batson Children's Hospital's CU for Kids St. Paddy's 5K on Saturday, March 23rd at the MS Museum of Art in downtown Jackson. Magnolia FCU staff and Board members volunteered by forming a team and hosting a cheer corner, to help cheer on all the runners and walkers. This event helped raise \$20,000!

Batson also held their annual radiothon earlier this year to raise funds. Local radio stations broadcasted live from Batson Children's Hospital Student Union. Each radio station played musical selections and interviewed patients and their families who wanted to share their stories with listeners. Magnolia FCU, other Mississippi Credit Unions, and sponsors volunteered to help make this event a success. This event raised \$502,000!

"At first, the new process seemed odd. As things moved along, it was noticeably better than I expected. One major improvement was the amount of time spent at the Mag Fed location was small. Another improvement was the availability to communicate with the loan officers via email or on the phone which made me feel up to date, or ask questions during the whole process. Over all, I think this is a great improvement! The times are changing, and it seems Magnolia Federal is keeping up! WTG! Thank you to all that helped in this adventure of our vehicle loan!"
