Bill Pay

is fast, easy and offers you these great benefits:

- Convenience** Receive, view and manage your bills from one location.
- Accessibility** Receive email alerts for bill arrivals, due dates and payments. eBills are easy to store, organize and access.
- Savings** No more checks, stamps or envelopes to buy. Save time sending payments.
- Security** Protect your identity by reducing the amount of private information in your mailbox.
- Green** Help the environment by reducing paper waste.
- It's Free** Send at least one payment a month and there's no service charge.²

¹Message and data rates may apply from your wireless carrier. ²There is no fee for Bill Pay as long as one payment is sent per month. See Bill Pay User Agreement presented during sign up for applicable service fees. An active Tech Checking account is required to sign up for service.
