BRIARWOOD BRANCH CLOSING NOTICE

For the safety of our members and staff, **our Main Office on Briarwood Drive will be closed until further notice.** In an effort to improve our parking lot, we scheduled milling work today and encountered numerous unexpected issues. We are doing everything in our power to get this resolved as soon as possible.

Please continue to use our online services, mobile app, or call center to handle your banking needs.

You can access cash free of charge by logging onto our mobile app and selecting "Locations">"ATMs" to find a nearby surcharge-free ATM or by visiting us on our website at www.magfedcu.org and selecting "Locations" on the top of the screen.

Should you need to visit us at a branch, please visit us **at 2847 Lakeland Drive in Flowood or 1770 Highway 51 in Madison.** We will also be waiving any Shared Branching fees while our Main Office is closed, should a Shared Branching location be more convenient for you. Find a Shared Branching location on our website under "[Locations](#)" and selecting the "Shared Branching" box only.

As always, you can reach us at (601)977-8300 during normal business hours or by emailing info@magfedcu.org.

We apologize for the inconvenience and will do everything we can to reopen our Briarwood branch as soon as possible.

We thank you for your understanding.

Sincerely,

Michael Waylett
Chief Executive Officer
mwaylett@magfedcu.org
