Choose which month you would like to skip and list the loans that you would like to Skip for Spring 2018. All loans and accounts must be in good standing and current prior to Skip-A-Pay being processed, final approval is at the discretion of BRECO Federal Credit Union. By deferring my spring payment I understand interest will continue to accrue on the outstanding balance and that by taking advantage of this offer the final loan payment may be extended by 1 month. If payments are weekly, bi-weekly or semi-monthly, the entire month of payments will be skipped. Payments made through payroll deduction or Direct Deposit will be deposited into your default account for the month. We will resume payments as scheduled (the unpaid interest will be collected first) following the month as indicated above. I understand there is a \$35 per loan processing fee. By signing I agree to and understand the terms of this agreement.
