AFFORDABLE CARE ACT

**Repeal and
Replace**

AFFORDABLE
CARE ACT

What does this mean– Globally?

1. Uncertainty
2. Shift from ensuring access to decreasing govt. health expenses
3. Transition to value-based payments
4. Feds approach shift away from mandates toward state flexibility

What will this mean to business?

1. Mandates to purchase health insurance will be eliminated
2. Greater flexibility in replacement plan design and pricing
3. Subsidies will be replaced with tax credits
4. Exchanges will be eliminated
5. Insurance products available in various states
6. Fewer people choose to be insured
