

Sorry For The Inconvenience!

ATTENTION ALL MEMBERS

Online and mobile banking platforms nationwide are experiencing intermittent issues affecting the ability to log in and view or conduct transactions.

The anticipation of the pending government stimulus checks are thought to be the cause for this unusually high online and mobile banking activity, and it has caused many online banking platforms to go down entirely. **Stimulus deposits will be available beginning Monday, January 4, 2021.**

Please feel free to email us at info@magfedcu.org or web chat with us from www.magfedcu.org during normal business hours for assistance with your account.

We apologize for this inconvenience and are working tirelessly to get service restored.

Thank you for your understanding,
Magnolia FCU Management
