

RiverWood Bank has always been proud to offer you the nationwide surcharge-free ATM access provided by the MoneyPass Network. There are more than 24,000 MoneyPass ATMs nationwide and they're easy to find with an online ATM locator and locator apps for iPhone and Droid phones.

Enhancements to the MoneyPass website and apps have made them better than ever! You can visit the MoneyPass website at its new address: <https://www.moneypass.com> and see the changes for yourself. If you have any pages on the site bookmarked, please visit the site to update your bookmarks. Old bookmarks will still work but may be a bit slower if you don't update them with the new address.

And the MoneyPass ATM Locator App has a fresh new look and enhanced search functionality. Now is a great time to check it out <https://www.moneypass.com/mobile-apps.html> if you haven't done so already. And if you downloaded the MoneyPass ATM Locator App in the past, you will need to delete that app from your phone and install the new app to get the full benefit. It's worth it to be able to find MoneyPass ATMs when you are out and about!
