

RE: Your Request to Opt In to Extended Courtesy Pay

We have received your request to opt in to Extended Courtesy Pay. This service allows Clearview Federal Credit Union to authorize and pay overdrafts occurring from ATM and everyday debit card transactions, should a miscalculation happen and you need added protection.

Please remember that in order for your Extended Courtesy Pay coverage to pay overdrafts, you must also be qualified for Courtesy Pay at the time of the overdraft. You may opt out of Extended Courtesy Pay at any time or obtain information on the qualifications for eligibility by calling Clearview at 1-800-926-0003, visiting a branch or emailing us at debitcardservices@clearviewfcu.org.

Adding this service to your checking and debit card costs nothing to you now, however there is a fee of \$35.00 per transaction if the service is used, and there is no limit on the total fees we may charge you for overdrawing your account.

Please retain this information for your records. Thank you for choosing Clearview Federal Credit Union for all of your financial needs.

Sincerely,

Renee Lucas
