24/7 CONVENIENCE STARTS HERE ...

www.techcu.org

DO MORE ONLINE!

Online Banking is a free service that provides a convenient and secure way to manage your money using these powerful features ... 

- Check account balances & review history
- View images of recently cleared checks
- Transfer funds between accounts
- Receive account balance email notifications
- Export transaction data to Quicken or Money
- **My Deposit** allows you to deposit checks using a standard scanner or a smart phone
- **Bill Pay** lets you pay bills without writing checks
- **e-Statements** make record keeping easy
- **Mobile Banking** provides account access via Apps, Mobile Web and Text Messaging

IT'S EASY TO ENROLL

Visit www.techcu.org and click on the "Login Help/Enroll" link at the top of the page for instructions on how to access your account for the first time.

HAVE QUESTIONS?

Send us an email from our website at www.techcu.org or call our Web Services department at **(800) 276-8324 ext 111**.

Some Online Banking features may require acceptance of a separate user agreement and credit union approval. This information along with account requirements will be presented at the time you request activation of a feature.
