Personal Savings for basic savings needs.

It takes just \$5 to open a membership share account—which you do when you join—and with regular deposits, money can be set aside for emergencies, vacations, or other needs.

Holiday Club for holiday spending.

Set a little aside each payday with Payroll Deduction. Funds deposited to this account, plus the dividends earned, may be automatically transferred to your savings or checking account annually on any date that fits your holiday plans!

Youth Accounts for members age 18 and under.

Our Cash Club (11 years & under) and Student Savings (12-18 years) accounts pay more than Personal Savings and offer fun rewards, annual contests, scholarships, and more!

Savings Certificates for a better return.

If you want to earn a higher rate of interest with the security of a fixed rate of return, a Savings Certificate is the answer. Choose the length of time you want your money invested, from six to 60 months. The longer the term, the higher your interest rate. It takes just \$500 to open a Certificate, or \$25 for a Money Builder Certificate.

Money Market for higher rates and liquidity.

For members with \$1,500 or more to deposit, our Money Market Savings offers flexibility plus higher interest. Earn daily interest at a market rate, compounded monthly for maximum returns. Your funds are easily accessed with no penalty for early withdrawal.

Individual Retirement Account for tax-advantaged earnings.

An Individual Retirement Account (IRA) is still one of the best investments you can make for your retirement. We offer Traditional and Roth IRAs, each presenting unique tax advantages. (Check with your tax advisor for details.) Whether you invest in an IRA savings account or IRA Certificate, you'll earn excellent dividends and pay no maintenance fees.
