Spring 2022

## Central One wants to help kids fulfill their big dreams!

Dreaming big doesn't mean you need to start with big actions. The first small step is usually the hardest, but once it's taken, you can use the momentum to propel you forward. This year's National Credit Union Youth Month theme is "Save Small, Dream Big". At Central One, we want our young members to know that their dreams are attainable, no matter how big they are.

Central One has tools to help fulfill these dreams with a variety of accounts specifically for children. When opening one of our youth savings accounts (Oakie Super Saver Club), young members can deposit small amounts regularly and watch their savings grow "like magic." The earlier they start a savings account, the more it will grow, and the easier it will be to achieve their dreams. Learning this good habit at a young age will help set them up for financial success.

If you have been wondering how to empower your kids to save for their future, National Credit Union Youth Month is an excellent opportunity to start! Central One is here to help them learn that saving, no matter how small the amount, can help them achieve their dreams. Please keep reading for more information about Central One's youth accounts to learn how we can help get you and your young one started on achieving their dreams.

## We'll help find the right account to get you started.

Central One offers a variety of youth accounts with great benefits to help guide your child with their finances.

### Oakie Super Saver Club

For children **under the age of 13**, this account offers a competitive interest rate and flexible access to their funds.

### Future Investor Premium Certificate

For children **17 years or younger**, start saving with our Future Investor Certificate offering premium interest rates with only \$100 minimum to open. Then, you can keep adding to the certificate and watch the savings grow.

### Student Checking

For your student **13 years or older**, this free checking account makes the grade with no monthly fees or minimum balances required. This account helps parents guide your child towards valuable money management skills.

For account requirements, visit **centralfcu.com**.

## Central One Comedy Corner

**Q:** What type of bee can't make up it's mind?

**A:** A may-bee.
