## Welcome To The Healthy Way To Bank®

**Credit unions are not-for-profit.** That's right! Not-for-profit organizations that genuinely care about your financial well-being. As a member, you are also part-owner, which means just like other cooperative memberships, a membership with HealthCare Associates Credit Union (HACU) is unique, and you must qualify for membership. However, your membership can last a lifetime because we live by the saying, "once a member, always a member." Even if you move, our easy-to-access eServices, the convenience of Nationwide CO-OP Shared Branch network, and nationwide surcharge-free ATM network make it easy to take the benefits of a membership wherever you go. All you need is \$5 to start your membership, which goes toward your share of ownership. Then, you have 90 days to add another \$95 or open a qualifying account to avoid incurring any fees.\*\* (See page 3)

### Step 1 Are you eligible for membership?

- **Healthcare Industry:** Any employee or member of one of our thousands of qualifying organizations who serve and/or support the healthcare industry, qualifies.
- **Location:** Any person who lives or works in one of our community charters qualifies. See [hacu.org](http://hacu.org) for locations.
- **Family members:** Any person related by blood or law to an existing HACU member qualifies. Because birds of a feather bank healthy together, that means your family members can join once you do!
- **CU4Kids** When someone makes a donation of as little as \$5 to CU4Kids. CU4Kids is a nonprofit engaged in fundraising to benefit 170 Children's Miracle Network Hospitals.
