Home Equity Options & Benefits

Let your home do the work for you.

The equity in your home allows you to **pay a lower interest rate** for your projects and expenses than other credit sources. Choose a home equity loan for a lump-sum payment or a home equity line of credit to take out money as you need it.

A home equity loan or line of credit can help you finance current or upcoming expenses, such as home projects, debt consolidation, medical costs, new car financing, or whatever you may need.
