Invest in Your Future

Saving regularly is the first step in building a secure financial future. We offer you many options so you'll be prepared for anything, from life's little emergencies to buying a home and retiring.

Personal Savings Account. A membership share account establishes your lifetime credit union membership and pays monthly dividends.

Holiday Club Account. Save easily for holiday expenses through systematic monthly savings.

Savings Certificates. We offer terms from six to 60 months. Just \$500 to open, or \$100 for a Money Builder Certificate. Our Bump Up Certificate allows you to "bump up" your rate to the new rate once during the term of the certificate.

Money Market Account. Enjoy the advantage of higher dividend earnings and easy access with no penalty for early withdrawal.

Individual Retirement Account. One of the best investments you can make for your retirement, a Traditional or Roth IRA offers tax advantages you can utilize now or at retirement. (Check with your tax advisor.)

Access to Affordable Loans

If you need it, want it, or dream it, we can finance it and save you money. As a member-owned cooperative, Fibre and TLC usually offer substantially lower rates than banks, finance companies, and auto dealers. It's easy to apply in person, over the phone, or online 24 hours a day. You'll get all the help you need and a fast loan decision.

Auto Loans. We can help you find the right new or used car, price it, buy it, and finance it at our low rates with no loan fee. Your best deal is right here at Fibre and TLC!

Home Loans. Whether you need a fixed rate, jumbo, FHA, VA, land, or unique type of loan, we can help you finance the home of your dreams!

Home Equity Loans. We offer fixed rate Home Equity Loans and fixed or variable rate Home Equity Lines of Credit featuring low interest rates and minimal fees—and the interest is tax deductible for many homeowners. (Check with your tax advisor.)

Visa Credit Cards. Our Visa Platinum and Classic Credit Cards offer refreshing simplicity and a solid value. Instead of a “reward” program that leads to higher rates or fees, our Visa Credit Cards save you money—starting with no annual fee and a low, non-variable competitive rate!

Business Loans. Look to Fibre and TLC for the low-cost financing and personal service your business needs to grow and thrive. Just like your business, we're local and committed to the communities we serve.

Other Loans. We also offer [RV & Boat Loans](#), [Personal Loans](#), and Share Secured Loans.
