SAVINGS ACCOUNTS

PRIMARY SAVINGS

The [Primary Savings](#) is your membership to the credit union and is a simple investment in your future. From standard savings to special club accounts, get started with a minimum \$5 deposit. This account gives you access to the many benefits of membership. Plus, our savings accounts pay a competitive yield to help you reach your goals.

PRIME TIME SAVINGS

[Prime Time Savings](#) is for our members who are in the prime of their life. All members who are 65 years of age or better will enjoy the many free benefits of a Prime Time account. Benefits include, but are not limited to, free official checks, free notary public services, 10% discount on safe deposit boxes and more. Fill the prime of your life with stress-free finances.

U FIRST SAVINGS

For those who are between 18 and 25 years of age, we have the exciting [U First](#) account that will give you a boost. This unique, specialized account pays a high yield on your first \$1,000 in savings. As you go out into the real world, convenience and access is available through Mobile and Online Banking.

YOUTH ACCOUNTS

For our youngest members, we have special club accounts that provide them with an incentive to save. Children up to age 5 are eligible to start saving with our [Red Ranger Account](#). Teens can save with our [Level Up Account](#). Both accounts set savings milestones. Special [online games](#) and activities are provided.

HEALTH SAVINGS

If you have a High Deductible Health Plan, are not enrolled in Medicare and cannot be claimed as a dependent on another person's tax return, you can open a [Health Savings Account](#) to help with your medical expenses. You can make tax-deductible contributions and receive tax-free employer contributions. Check with your health care provider to find out if you are eligible.

CHRISTMAS CLUB

Guarantee you have enough money for the holidays by saving in a [Christmas Club account](#) throughout the year. Make deposits to this account and watch your money grow for the holidays. On November 1, your funds will be automatically transferred into your checking or regular savings account.

CUSTOMIZED SAVINGS

If you have something specific you are saving for, such as a new car, a dream vacation, college or even a new home – let us know! We can name your account accordingly to help keep your goals in sight.

INVESTMENTS

MONEY MANAGEMENT¹

With a [Money Management Checking](#), you get the flexibility and liquidity of a checking account while earning a higher yield. With just \$2,500, you can start getting the most for your money. Enjoy the convenience of withdrawals, deposits and transfers online. Competitive dividends are compounded on a monthly basis to ensure fast and steady financial growth.

MONEY MARKET FUND¹

The [Money Market Fund](#) is a higher tiered account that allows you to earn a highly competitive yield. Just like the Money Management account, you will have the flexibility and liquidity of a checking account. A daily minimum balance of \$25,000 will earn you competitive dividends you deserve. Dividends are compounded monthly to help you continue your financial growth.

INDIVIDUAL RETIREMENT ACCOUNTS (IRAS)

An IRA is an account specifically designed to provide additional income for a member's retirement years. IRAs are one of the safest and easiest ways of investing. Contributions to IRAs may reduce the amount of taxes that you pay. Several types of IRAs are available and most require only \$100 to open or \$500 to open an IRA CD. Consult with your tax advisor and make sure you have the funds you need for your retirement.

CERTIFICATES OF DEPOSIT²

Grow your money safely by locking in a fixed rate of return for a specific period of time with a [Certificate of Deposit \(CD\)](#). Open a CD with as little as \$500 and pick a term ranging from 3 months to 5 years. Our special Flex Rate CD offers a competitive rate now, and if a higher rate comes along, you can bump it once during a 2-year term and twice during a 4-year term. Start growing your money today!

CD BUILDER²

This unique CD allows you to start out small and build on your CD. Start your CD Builder account with just \$100 if you set up Direct Deposit/Payroll Deduction or \$500 without Direct Deposit/Payroll Deduction. Then make regular deposits to build your balance. With a 2-year term and a higher yield than a regular savings account, you will see steady growth. You'll appreciate the ease, convenience and growth the CD Builder offers you.

¹See [Fee Schedule](#) for applicable account fees if daily minimum balance is not met.

²See credit union representative for rates and other details. Early withdrawal penalties apply.
