

FIBRE CARD MANAGER

Monitor and Control Your Debit and Credit Cards In Our Mobile App and Online Banking!

We're pleased to offer Fibre Card Manager, a free service that helps you prevent fraud by allowing you to define when, where, and how your cards can be used.

- Activate your card and set a PIN
- Set real-time alerts about card usage, declines, and more
- Create, edit, and cancel Travel Plans settings for hassle-free card usage when you travel
- Turn your Debit and Credit Cards off if they are lost or stolen, and turn them back on just as easily
- Establish transaction controls for dollar amount limits, merchant categories, and geographic locations
- View transaction history
- View a list of merchants storing your card for payments
- Access your card number, expiration date, and CVV

PROTECT YOUR CARDS TODAY!

Log into Mobile Banking, tap More, then My Money, and select the Fibre Card Manager feature. Follow the instructions to set up your cards and activate additional protection and monitoring features. Access Fibre Card Manager 24/7 in our mobile app or Online Banking.
