### **Inspire FCU Announces New Bensalem Branch; Targets Opening Date April 2025**

Inspire Federal Credit Union is excited to announce the opening of a new branch at 3933 Hulmeville Rd, Bensalem, PA, slated to open in April 2025. The location, which previously served as a bank branch, will be retrofitted, and rebranded by Inspire to offer a state-of-the-art facility that will meet the banking needs of Bensalem residents and surrounding areas. This branch will be the fifth Inspire location in Bucks County, joining existing branches in Bristol, Langhorne, Newtown, and Warminster. Like our other locations, the Bensalem branch will provide a welcoming environment and a convenient space for both personal and business banking services.

“Bensalem is home to many of our existing members and employees, and we look forward to bringing our 'Bank Local, Bank Better' approach to this community,” says President/CEO Jim Merrill.

The redesigned branch will focus on creating a member-centric space that strengthens the connection between Inspire and the Bensalem community. While the existing three-lane drive-through will remain, the interior will be updated to ensure a safe, welcoming environment where members can consult with staff and complete any type of transaction to help them achieve their financial goals.

“Expansion into Bensalem has always been a priority for us,” added Merrill. “We’ve been planning for this growth for several years and couldn’t be more thrilled with this new location for Inspire.”
