Auto Loans

What's the most important option to get with your new or used car? Fibre/TLC financing! Ask for it right at the dealership. Most local auto dealerships participate in Credit Union Direct Lending (CUDL). You'll enjoy excellent rates, terms to 84 months, and up to 100% financing.

Don't be fooled by the dealer's special financing— even if it's 0%. You'll likely come out ahead by taking the cash rebate and our financing.

If you have an auto loan from another lender, consider refinancing with us to lower your payment and total interest. Give us a call to see how much you can save.

Visit our website to check our rates, use our payment calculators, and learn about our auto buying resource partner, Auto Solution.

Boats & RVs

We'd like to help you make the most of your outdoor recreation. With our competitive rates and flexible terms, you'll soon be enjoying your new or used motorboat, sailboat, other watercraft, ATV, RV, camper, motor home, or trailer in the great outdoors.

Visa Credit Cards

Our Credit Cards have no annual fee, no cash advance fee, no balance transfer fee, and a great low fixed rate. In short, it's a solid financial value that doesn't pile on the fees the way other cards usually do.

If you're already carrying a balance on other higher rate, higher fee cards, ask us to pay them off with your new Visa—it's money in your pocket!

If you're looking to establish credit for the very first time, our Visa Credit Cards are a great way to do it!

Personal Loans & Line of Credit

Your good credit can secure a fixed rate loan or line of credit. Either one is a good source of cash for nearly any purpose: new furniture, a computer, appliances, a motorcycle... it's up to you! A line of credit can also be used as an Overdraft Transfer Protection source with a Fibre/TLC checking account.

Home Equity Loans & Home Equity Line of Credit

Do you own your home and need cash for college tuition, a remodel, or other big plans? Consider home equity financing from Fibre and TLC.

- A fixed rate Home Equity Loan provides a lump sum amount with regular monthly payments. This is a good choice when you know just how much you need.
- A variable rate Home Equity Line of Credit (HELOC) lets you access cash as needed, paying interest only on what you use. A HELOC is also a great source of immediate funds in case of emergency.

ITIN Lending

We offer consumer loans to qualifying members with an Individual Taxpayer Identification Number (ITIN). And because we practice Rate Equality, you can use your ITIN to get our best rate.
