FEDERAL CREDIT UNION

Dear Valued Member,

As Magnolia's highest priority continues to be the health and well-being of our employees and members, **we will temporarily be closing the inside of all Magnolia FCU branches, effective Thursday, March 19<sup>th</sup>**. The drive-throughs of all branches will remain open during normal business hours, while the VA Branch will be temporarily closed.

The good news is that our strong disaster recovery planning and the precedence we've placed on offering top-notch online and mobile channels has positioned us well to continue handling all your banking needs during these challenging times. Our call center is heavily staffed to handle increased call volume and our lending team is fully staffed to handle our anticipated increased loan demand.

We will continue to keep you apprised and informed of any changes in the days ahead.

Thank you for your loyal membership and please remain safe.
