CONTACTLESS TRANSACTIONS

Faster Transactions

- Your new card includes the latest chip technology including support for contactless transactions.
- Contactless means you don't have to insert your card into the point-of-sale terminal and wait.
- Save time when you tap.

Secure Transactions

- Every chip transaction and every contactless transaction includes a unique code, helping to protect against fraud and keep your information safe.
- The information on your card is protected by unique keys.
- Contactless transactions only work within 1-2 inches from the point-of-sale terminal.

HOW TO USE YOUR CONTACTLESS CARD

1. Look for the contactless symbol on the payment terminal.
2. Tap your card to the front of the POS terminal.
3. Wait for a beep or green light before removing your card (you can put your card away - you won't need it again).
4. Follow any instructions on the screen (you might be asked to sign or to enter your PIN).

WHEN CONTACTLESS PAYMENT IS UNAVAILABLE

1. Insert or swipe your card.
2. Sign or enter your PIN.
3. Remove your card when prompted.
